Mission Statement:

"The mission of Autaugaville School is to engage the mind and encourage the imagination of all students in a safe and caring environment."

Vision Statement: *"Forever learning, Forever a success"*

National School Counseling Week

National School Counselor's Week takes place February 1-5, 2021. The week will be celebrated to focus public attention on the unique contribution of school counselors within the United States school systems. National School counseling week, sponsored by The American School Counseling Association, highlights the tremendous impact school counselors can have in helping students achieve school success and plan for a career. National School Counseling Week is always celebrated the first week in February.

Happy National School Counseling Week Mrs. Karen Morris!

You are making a difference in the lives of the students, staff and families you work with each and every day! Thank you for being our school counselor!

Reminders

For the safety of your child, please make sure that they are leaving the campus after school. There is no supervision on campus after 3:07 PM. Together we will strive to keep our students safe!

Communication is the key to success. If your address, work place, or phone numbers change, please communicate that with the office or email your information to the secretary, Mrs. Allen, @ delen.aallen@acboe.net.

If your child is absent from school, please send a doctor's or parent's excuse upon return to school. If your child is going to be absent for an extended period of time, please contact the front office. We will make arrangements to collect assignments to prevent your child from getting behind in his or her classes.

The Parent Resource Room is located inside the school in room #428 to the right of the nurse's station. It is available Monday-Thursday during school hours. Contact our assistant principal, Nakisha Ross at 365-8329 ext.24009 or nakisha.ross@acboe.net.

If your child tests positive for COVID, please provide administration with documentation from the physician as soon as possible.

After school Tutoring

Our school will implement an after-school tutoring program throughout the second semester of school (February-May, 2021). The first tutoring session will begin on Tuesday, February 2, 2021 and occur on Tuesdays and Thursdays from 3:15-4:15 p.m. It will end on March 21, 2021.

Tutoring will be offered to all students in grades K-12 in the areas of Reading, Math, and Spanish for secondary students. Tutoring letters were sent home on January 25, 2021. If you do not receive a letter or would like your child to participate in tutoring, please contact our Reading Specialist, Mrs. Jennifer Reid at 365-8329 or Jennifer.reid@acboe.net.

Black History Month

Black History Month was created to focus attention on the contributions of African Americans to the United States. It honors all Black people from all periods of U.S. history, from the enslaved people first brought over from Africa in the early 17th century to African Americans living in the United States today.

Honoring Black History Month may look and feel a lot different this year amid the coronavirus pandemic. Therefore, Autaugaville School will be providing a safe way for our school community to commemorate the month virtually. On February 26, 2021, Autaugaville will present a virtual Black History Program. The program may be viewed on our website as well as watched live on our facebook [page](#).

Commented [NR1]:

Happy Valentine's Day

From the Autaugaville School Teachers and Staff

At Autaugaville School, it doesn't take Valentine's Day to remind us of the need to communicate kindness. We can recognize and acknowledge the inherent goodness in each other every day. Being inclusive at our school is as meaningless as the message on a candy heart if we don't show it through actions and words. We can, also paraphrase the famous Rogers and Hart lyric, *make every day Valentine's day* by banishing bullying behavior, showing respect to each other, and being kind to ourselves.
